9th June 2026

Dear Parents or Carers,

Year 12 students will be sitting end of year exams in the week beginning **Monday 15th June.** These will be in the sports hall, giving students an opportunity to experience what it feels like to sit their sixth form exams in authentic exam conditions. Students are expected to adhere to exam conditions and should not bring watches or electronic devices such as phones into the exam hall. They are also expected to bring their black pens, pencils, ruler etc. in a transparent pencil case or bag. They should also ensure they have a calculator for each of the exams that require one.

The grades received from this set of exams are very important. They will be used to inform all predicted grades, including those submitted for UCAS applications for university, as well as for apprenticeships and job references.

Year 12 lessons will be suspended for this examination period, but students are still expected in school to complete their revision when not in an exam. They should bring in resources to make the most of this time as they will be expected to revise.
