Dear Parent,

We are promoting the options on offer that can be enjoyed by your son/daughter daily, the items are freshly prepared daily by our teams. We understand the importance of a balanced diet and having a varied menu on offer, so the offers are linked to our menu cycles which change weekly and termly to ensure there is no menu fatigue... The Meal Deal below can be enjoyed for the current Free Meal School value of £3.00.

Both the Meridian trust and Caterlink Ltd would be appreciative if the details of this letter could be promoted to your son/daughter, as always these will be promoted throughout our dining areas at both sites. We look forward to welcoming your son/daughter to the dining room to enjoy our menus. It's more important than ever with the current cost of living concerns we maximise the full Meal Deal offer which gives a tasty, nutritious meal at a great price.
