Be Responsible - Be Independent - Be Resilient

What a wonderfully busy week we've had here! From the splash and excitement of swimming lessons to the unforgettable experiences during our school trips, the children have been fully engaged and learning in so many different ways. To top it all off, we dedicated time to a Mental Health Day, giving our students the chance to focus on wellbeing and self-care—a vital part of their growth.

It's always inspiring to see how resilient, curious, and enthusiastic our children are, even during such a packed schedule. We're incredibly proud of their efforts and the positive attitudes they bring every single day. Thank you for your ongoing support, and we hope you all have a restful and enjoyable weekend!

Make sure to follow us on Facebook to keep up with all the latest happenings!

🎉 Calling All Nursery, EYFS, and KS1 Parents! 🎉

Get ready for some fun – our exciting events are just around the corner, and everybody's welcome! So, tell your friends and family, and come join the smiles, laughs, and memories waiting to be made!

First Aid Training for Students

This week, our students were lucky to participate in a comprehensive first aid training session provided by Inspire Plus.

During the session, the children learned a variety of essential skills, including how to perform CPR, treat minor injuries, and respond effectively in emergency situations. The training was delivered in an engaging and age-appropriate manner, making it both educational and enjoyable for the pupils.

We are delighted that our students found the experience fun and valuable, as these life-saving skills are important for everyone to know. We extend our sincere gratitude to Inspire Plus for generously providing this opportunity and for their ongoing support of our school community.

Nursery News!

This week we've had a roarsome time learning with The Worrysaurus! The

children made worry monsters, dinosaur headbands, and junk model dinosaurs, built dinosaur houses, and even became palaeontologists discovering "bones"! We've been painting dinosaur footprints, practising cutting and threading, and building towers and confidence! 🌟

Outdoors we've enjoyed riding bikes, cooking in the mud kitchen, drawing with chalks, and even cat spotting! 🐾 It's been a week full of imagination, teamwork, and happy learning! ❤️

Reception

This week in Reception, we have been enjoying the story Oi Dog! – a fun and lively tale full of rhyming words. The children have loved exploring rhymes and joining in with the story!

Our focus this week has been on frogs. We've been busy painting beautiful frog pictures, singing songs, and learning all about the frog life cycle. The children have shown great curiosity and enthusiasm throughout our learning.

We've also been practising our reading and spelling skills, working hard to recognise and write new words.

Well done, Reception! What a fantastic week of learning and fun!

Stargazing event

What a lovely evening we had at our recent stargazing event! It was wonderful to see so many families come together to enjoy the night sky. A big thank you to Mrs Bell for organizing this special occasion, and to the amazing PTFA for their invaluable support in making the event such a success.

Year 6 Art and PTFA Appreciation

Year 6 have been exploring printmaking as part of their art lessons. As a special thank you for their hard work helping to set up the Colour Run, the PTFA kindly treated the children to toasting marshmallows. We are grateful for the PTFA's continued support and generosity.

Pledge award winners

This half term, our Pledge theme is 'Participation' – whether that's trying something new, getting involved in school or community life, or giving our best effort in learning every day.

A huge well done to the children who have already shown fantastic commitment and enthusiasm – you are true participation role models! Keep it up, everyone – we can't wait to see even more of you earning your Pledges this year.

After School Clubs – Places Still Available!

We still have spaces available in our exciting after school clubs! Here's what's on offer each day:

Parent Reminders

As the weather is getting colder, please ensure your child has their coats and a jumper with them when coming to school.

If you have left anything within school, please be sure to check lost property which is located in the main reception.

If you haven't already, please download the MCAS app to keep up with important updates, schedules, trips and announcements. As always, if you have any questions or run into any issues, feel free to contact the office—we're here to help!
