Dear Parents / Guardians,

We are excited to be running our brand-new WOW Camp at Willingham Primary School, CB24 5LE from the 30th March - 2nd April, combining our hugely popular Tech Camp with a range of exciting WOW experiences to create an unforgettable holiday experience.

Throughout the week, children will build and take-home inventions, code and control robots, explore engineering challenges in Minecraft, and develop real STEM skills — alongside incredible live workshops including animal encounters, street dance, inflatable obstacle courses, virtual reality, laser tag, and spectacular hands-on science shows.

WOW Camp is designed to balance learning, creativity, and fun. Whether your child loves technology, building, animals, performing, or trying something new, they'll be supported in a welcoming environment where they can make friends, build confidence, and feel proud of what they create and achieve.

Tech activities include:

- Bot Builders & Coders 🤖 Children will learn to code and control real robots, developing programming, logic, and problem-solving skills.
- Ingenious Inventors 💡 Design and build electronic inventions to take home, bringing engineering concepts to life in a fun, hands-on way.
- Minecraft Engineers 🎮 Take part in structured Minecraft challenges that develop creativity, teamwork, and real-world engineering thinking.
- Virtual Reality 🥽 Explore immersive virtual environments and experience cutting-edge technology first-hand.

Please join Histon & Impington's Annual Community Tree Day on Sunday 19 April, 12noon – 4pm.

Come for as long or as little as you like. Even 10 minutes will help!

EVERYONE IS WELCOME!

Where: Roundabout Woods on Chivers' field next to Holiday Inn, first right off the A14 (please note that there's no parking on site).

What: Give our young trees the best chance of growing and thriving - we will show you how on the day

Some equipment will be provided, and if you can, **please bring your gloves, spades, trowels, wheelbarrows, buckets, a drink.**

Please watch out for rabbit holes on the field; the ground is uneven, so please wear suitable shoes.

Children are always very welcome, under the supervision of their adult companions.

The mulch-o-meter is back to track our progress, so we're hoping to mulch more than last year's 374 trees!

Hope to see you there!
