IMAGINARIUM

How can we create a greener, fairer, more connected future if we can't imagine it?

**FREE
EVENT
ALL
WELCOME**

**Saturday 7th February,
1pm-4pm
St Andrew's Centre**

Invitation to enter The Imaginarium

Saturday 7th February, St. Andrew's Centre, opens at 1pm and closes at 4pm.

What is an Imaginarium I hear you ask. Its a fun space where you can think about what you'd like for the future of Histon and Impington. Everyone is welcome, it's free, just drop-in during the afternoon, we need you all!

Do you have ideas and longings for you and your family's life and future in the village that you'd like to share? Would you like to talk them through with local scientists, architects, farmers, neighbours, artists, engineers, naturalists and councillors.

If so please join us for H&I's first Imaginarium – a fun, creative and thought-provoking event that can help busy people living in challenging times think about and imagine positive futures. On Sat 7th Feb, 1-4pm at the St Andrew's Centre we're offering absolutely everyone the time and space to visualise how our village might look and feel in 10 year's time. You'll be invited to enter the 'HI Time Machine' and then draw from the 'Pool of Possibility' before coming together with others to explore all aspects of our lives; how we might play, travel, live alongside nature, how our homes might look, what our diet might be like and where our food will come from. How we might live well with less stuff, have better health and greater connection across the generations.

All the ideas will be used to create a directory of ideas, the event will be filmed, and all materials created during the event will be collected into a display. This will make a record of the conversations, the evidence if you like, that can be used to influence decisions made by councils and groups that work in and for our villages.

School groups and the uniformed brigades have been engaging with the Imaginarium over recent weeks, please come and see what they've come up with. This free event is for all and we welcome small ideas and huge ones, sensible ones and fantastical ones! Please join us to nourish the ambitions of our community, to tap into a sense of what's possible and feel hopeful. It's hard to build a different future if we can't imagine how it will look and feel.

Many thanks to the Beer Festival for supporting this event which is a collaboration between Histon and Impington Sustainability Group and Cambridge Carbon Footprint.

Parent Talk: Raising Kids in the Smartphone Era

Practical ideas and friendly conversation about helping kids thrive in the age of smartphones. We'll look at what's working for families right now and hear about the approach being taken by our local schools, including IVC. No judgement, just real talk.

Regional SFC
Lead and Chris
Gee, Assistant
Principal at
Impington
Village College

Dear Parents and Carers,

In a few short years smartphones and social media have become the new frontier of parenting, and families everywhere are having to navigate this with very little help or support.

After the success of our previous efforts, we are hosting another event for all Parents and Carers of Histon and Impington (and anyone else who is interested!) to discuss our children and their access to smartphones and social media.

If you have questions about how to approach the topic, would like to learn more about what others in our community are doing and have a chance to look at smartphone alternatives, then come along to chat with other parents and share perspectives and experiences.

Amy Ruffell, Cambridgeshire Regional Representative from the Smartphone Free Childhood movement will be there, alongside Chris Gee, Assistant Principal and Social Media Lead at Impington Village College.

We'd love you to join us for this judgment-free evening of open discussions at one of our local schools.

Best wishes from the Event Organisers...who are also a group of local parents!

WRITING OUR WAY OUT OF THE CLIMATE CRISIS – POETRY COMPETITION

Poetry can't solve the climate crisis, but we know that being creative can help us think about how to tackle problems. If you attend a primary school, secondary school, sixth form college, or are home educated in Cambridgeshire, we invite you to write a poem on the theme of 'hope and the environment'.

Dear Parents and Carers,

Many families from your school already attend our local holiday camp, and we'd love to invite even more of your community to benefit from our 2026 school holiday programme.

To help families plan ahead, our lowest prices are available for bookings made by 31 January, with savings of up to £100 per week. This means parents can secure high-quality holiday childcare and activities for as little as £4.78 per hour.

As a special thank-you to your school, we've created an exclusive discount code just for your community. If you're happy to share the attached digital flyer in your newsletters or emails, parents can use:

SCHOOL20 – £20 off (minimum 2-day booking)

Families can also take advantage of flexible payment options, including Tax-Free Childcare, Childcare Vouchers, paying with Klarna and interest-free monthly instalments, making it even easier to secure their place.

Best Wishes
Barracudas
