READING CHAMPION

The wider offer works seamlessly with the personal, social, health and economic (PSHE) education curriculum. Pupils secure their knowledge of how to live healthy lives. They understand what a healthy relationship is. This understanding further strengthens the bonds that exist between pupils and each other. These positive relationships underpin the exceptional behaviour that pupils demonstrate throughout the school day. Pupils truly value their school and are proud to be part of its' community.

Phonics

Little Wandle

Phonics information sessions take place for parents/carers when your child starts to give you more information and support.

READING

HIBPS EARLY YEARS

Children thrive in the school's early years provision. Highly skilled staff set clear routines and expectations from the moment children start in Reception. They reinforce these expectations in a relentless yet kind way. Children look after each other. Whether independently washing up their plates after snack time, or putting an arm around an upset friend, children are kind-hearted and thoughtful. They quickly become the positive ambassadors the school expects them to be.

BEFORE STARTING SCHOOL AND SEPTEMBER

We will write to you as soon as we have the list of children who have been allocated a place at our school.

We will talk to any pre-school settings your child may be at.

We will visit settings where possible.

We will invite you to a presentation to discuss induction ahead of September.

We will invite you and your children in on at least three occasions.

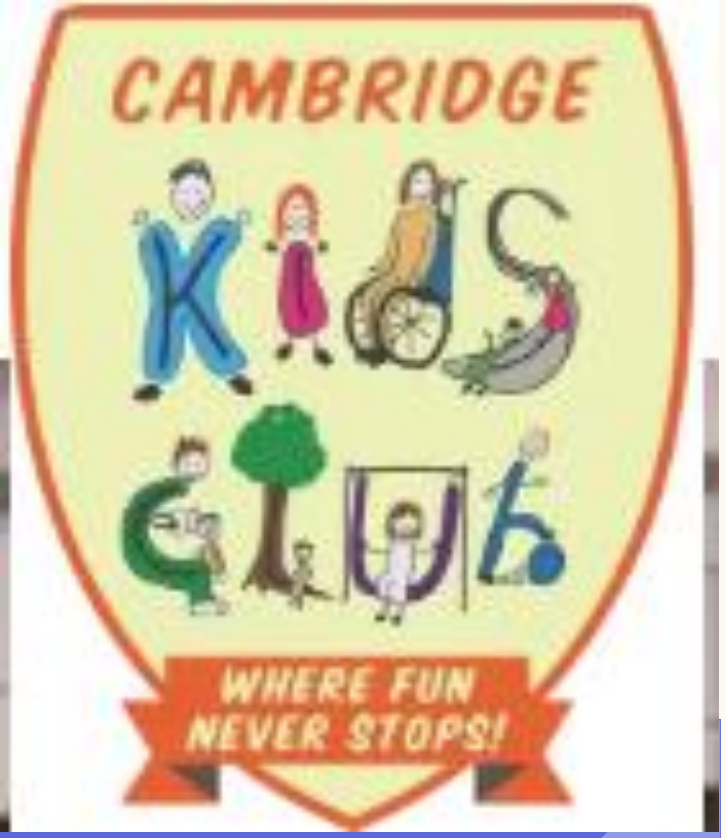

In September the children come for a 1:1 visit with you and then attend half days before starting full time.
