Headteacher update

Dear Families,

We hope that this finds you all well and that you had enjoyable and relaxing summer breaks. It has been lovely to have the children back for their first full week of school.

You should have received copies of our 'curriculum overviews' via email – these set out the areas of learning that the children will be covering this term. We hope they are useful in giving you an insight into our curriculum, and also to link with any experiences you might be doing outside of school.

Just below in the newsletter, we have started to add key dates that will be coming up this term. Please do keep an eye on these.

Over the last few days we have been contacted by several residents about inconsiderate parking and driving around The Green. Where driving to and from school is necessary, please consider parking further away from The Green and walking the final part. We are still working with the local authority on our 'school streets' plan and hope to have more updates on this soon.

Finally, we look forward to seeing lots of children and families on Saturday afternoon for the PTA Colour Run event! It was a big success last year and was great fun. The flyer is further down in the newsletter for more information.

Thank you,

Mr Bakker and Mrs Inman

REGULAR GIVING

No time for bake sales?

Here's the thing- our PTFA helps fund a range of enriching activities and projects. From new books your kids love, to amazing playground equipment, subsidising school trips that create memories and more.

However, we can only do it with your help. The good news? If you're time-poor but still able to give, then a regular donation is an easy way to contribute.

£10/month = less than two fancy coffees. But 50 families doing it = £6,000/year for our kids. They'll benefit from it. Everyone wins.

PAYROLL GIVING

Tax-efficient: £10 a month costs you only £8 (just £6 for higher rate taxpayers)
