

YEAR 2 Key Messages Autumn

Welcome back to everyone this academic year.

- Please ensure children are wearing the correct uniform to school each day.
- Ensure you have labelled all clothes so they are not misplaced after PE. Any extra practise of organising themselves to get changed into a PE kit and back out of it would be appreciated!
- Year 2 are entitled to a free piece of fruit or vegetable provided by the school but may bring their own healthy snack from home if they wish.
- Label water bottles.

Homework Days and Expectations

In Year 2, homework will be sent home on a Thursday and should be returned by the following Monday.

Homework will include regular reading (using their phonics reading book and any other reading for pleasure books they have) and a homework sheet containing prompt questions revising content taught the previous week, which may include Mathematics, Phonics and English.

Phonics reading books will be sent home after their final reading session on a Wednesday. Please bring these back to school alongside their reading record on Monday.

Please feel free to come and introduce yourselves to us at pick up, we are always happy to speak with you about anything brief on the playground. If you would like to make a longer appointment, please do email the office and we will be in touch.
Thank you again for your support last week. We really look forward to working with you and your children this year.

When children begin reading Fluency Chapter books, they will bring home their book every other week so that they can finish the book in school. We will send them home with a library book on alternate weeks. There will be a sticker in your child's reading record when they start reading these books.

Year 2 School Library Days

We will have a school library session every 2 weeks, where your child will take home a reading for pleasure book. These should be returned on the day of their next visit.
