Pupil Premium Funding is a government scheme where schools can receive additional funding for children who are entitled to pupil premium.

This additional funding can then be spent in a range of ways that can support that child in particular. For example buying specific resources and equipment or providing interventions to support the child's progress.

Please make sure you complete the Count Me In form, even if you are unsure whether or not you would be eligible, as the school are able to check.

This is an electronic form that can be completed at:
www.cambridgeshire.gov.uk/freeschoolmeals

Pupil Premium Funding can be applied for at any time, so if your circumstances change in the future and you feel that you may then qualify for the funding, then please get in touch with the office.

PUPIL PREMIUM

If your child is poorly and cannot attend school, please ensure you ring the main school number to report your child's absence.

When ringing, you may need to leave a message, so please make sure you tell us your child's first and surname and some details about their illness.

We are here...

Starting school is so exciting
as we welcome all things new,
but it can be a day of stress
and uneasy feelings too!

For all this time you've loved your child,
You've been their loving guide

But now its time to step aside
as they begin this new ride.

As you drive away, be proud
of how they've learned and grown

Know that we will care for them
as if they were our own.
