

26 June 2026

Dear Parents/Carers,

### New School Uniform Provider

As you may be aware, we unexpectedly had to source an alternative school uniform supplier earlier this year and we have been working through the process to secure a new provider of our uniform, as well as re-evaluate our school uniform offer.

This process is now complete, and we are pleased to announce that uniform will be supplied by Total Clothing who also supply Crosshall Junior School. This means parents/carers will now be using the same school uniform supplier throughout your child's time with us at both Infant and Junior School.

We still have some remaining stock from our previous supplier at school which is available to purchase through your MCAS app (My Child at School), however, we are beginning to run low or out of stock of some sizes and garments. Please note, we have significant stock of our water bottles and bookbags at school.

If you intend to purchase new uniform in readiness for September, please make your initial purchase/enquiry using the MCAS app and if we have stock in school, your order will be picked and sent directly to the classroom. Parents/carers of children joining us in September, for both Nursery and Reception, are also able to purchase school uniform using MCAS and details of how to do this were included in your admissions induction paperwork.

The Total Clothing website can be located using this link; [Crosshall Infant School - Total Clothing](#) and purchasing details are attached. In addition, you will notice we have reduced the number of items featuring our logo to ensure we are in line with Department of Education guidance from September 2026.

In the meantime, should you have any questions or difficulties regarding uniform orders etc. please contact the school office directly, via our email address [office@crosshallinfant.co.uk](mailto:office@crosshallinfant.co.uk).

Yours sincerely,

Mrs Rebecca Sawford  
Headteacher
