

CROSSHALL KIDS CLUB

Summer holiday programme of planned activities.

Some activities may change due to children's interests on the day. Some activities will incur an additional fee (BBQ's, bouncy castle, sports coaches, cinema, Sacrewell Farm and ice cream in the park) and these will be clearly shown so you are aware before you book. Weather will dictate some activities and children will be able to bring in a change of clothes for wet play. Reminder that all places booked will be charged.

Special activities to look out for this summer:

Premier Sports (1 day every week throughout the summer holidays)

The sports coaches that come in to school during term time are running some holiday sessions. Activities will be different to those in school and may include curling, archery, dodgeball plus many others!

Pottery (week 1 and week 3)

Mrs Colquitt will be teaching the children some pottery skills. The children will make their clay item in week 1 and will glaze them in week 3.

Ceramics (week 4)

Children will paint their own money box.

Special cooking days (throughout the summer holidays)

Baking, pizza making and fruit kebabs are on the menus throughout the summer holidays. Check the timetable for each individual activity.

Sand (week 1)

Sandcastle competitions and creating sand jar creations are fun activities in week 1!

Pinatta making (week 2 and used in week 5)

Children will build a group pinatta in week 2 which will then be filled with sweets and used in week 5 on disco day!

Stone Painting (week 4)

Children will decorate stones using paints. What would you put on your stone?

Medal Making (week 3 to be used in week 5)

Children will make medals in week 3 to use in an 'Olympic' style sports competition in week 5!
