

19th September 2025

Dear Parents/Carers,

Music Provision Update

We want to let you know that Rocksteady Music School lessons will finish in December 2025, at the end of the Autumn term.

While many children have enjoyed these sessions, we have found that the format doesn't fit as well as we would like with our curriculum or the flow of classroom learning. After careful thought and discussions across the Trust, we feel it is the right time to bring this provision to a close.

Music will, of course, remain an important part of school life. Children will continue to enjoy whole-class music lessons, singing, and performance opportunities as part of our creative and engaging curriculum.

Rocksteady will contact families directly about existing subscriptions and final lessons.

Thank you for your support and understanding.
