

MESSAGE FROM OUR HEADTEACHER

Dear Parent/Carer,

It was wonderful to see the pupils and adults on the playground yesterday morning. It was clear that families had put time and effort into preparing for the new school year, and we thank you once again for your support.

The positive feedback and messages about the start of term were appreciated by myself and colleagues. We also benefitted from receiving information about pupil's summer break, updates around medical needs and other such useful details.

After school today, families are invited to come into school to see their child's classroom and become more familiar with the school environment. This opportunity will be available on Monday and Tuesday next week too. Where possible, we ask that families stick to the days outlined in the letter sent earlier this week.

In assembly yesterday, we spoke about **Ambition** being this term's values focus. Having a desire to work towards goals and dreams is a key element of our **Future Me programme** and a life skill we wish our pupils to develop. The children were asked to think of a goal they can work towards and set themselves a target for when they may achieve it. Can they tell you what they thought of and the timescale they set themselves?

On Monday, we will have all pupils entering via the Blue Door. Year Three pupils and parents, we will ensure that the children know where to go once they come into the building.

Enjoy the weekend!

Mr Liam Murphy | Headteacher

Reminders

Please ensure that PE Kit is in school every day.

While we provide the majority of the equipment pupils need to take part in lessons, we request that they bring into school the following items:

- glue stick
- headphones (3.5mm jack cable)
- art apron/shirt

Where items (uniform, PE Kit, coat, snack pot, water bottle etc) are named, we can return these to pupils. Please may this be checked.

Reach out if you need support

We know the summer holidays can be a time of extra pressure for families.

If something has happened or you feel you need some extra support, please reach out via the office and we shall look at what we are able to offer.
