

MESSAGE FROM OUR HEADTEACHER

Dear Parent/Carer,

On Thursday morning, a number of pupils mentioned as they arrived at school that they had noticed a drop in temperature. **Autumn is here!** Please ensure pupils come to school with clothing suitable for that day's weather. Where possible, we want them to be able to get outside during the school day.

Our **wonderful PTA** have put together a programme of events between now and Christmas. See dates at the bottom of this newsletter and links within today's email. Additionally, [the PTA Facebook page can be a useful source of information.](#)

Thank you to the families who were able to join us for our second '**Life @ Crosshall**' information session. For any families who were unable to attend, the presentation is attached to today's Letter Day Email. Our next session is themed around 'TTRS / Numbots', [with the registration form still available here.](#)

The **NFER Testing in Years Three, Four and Five** will take place next week. These give the children the opportunity to work in and experience 'test conditions', show teachers what pupils are able to do independently, and most importantly inform us where there are gaps or misconceptions in knowledge so that we may adapt future learning.

If you have not yet, please remember to book a **Parent Consultation Slot**. These appointments will take place during the week before the October Half Term Break. Bookings are made via the MCAS app.

This week, visitor from a secondary school was so impressed with our **Future Me programme** and our pupil's engagement with it that she has asked for advice and support with using similar in her own school. The first Future Me badges for 2026-27 have begun arriving on collars too!

Mr Liam Murphy | Headteacher
