## MESSAGE FROM OUR HEADTEACHERS

Dear Parent/Carer,

The Crosshall Junior School logo is made up of three circles and two wavy lines. The lines represent the Great Ouse and the three circles show how important it is that the school, pupils and parents work together.

Parents are a vital element of the ongoing education of our pupils and the more effectively schools and parents work together, the better.

There are various, important ways that parents can support school. As we often mention, ensuring children do daily reading is important as well as completing home learning tasks on time.

Another key element is by supporting children to have a positive outlook to school. This can be as simple as asking positive questions about the school day such as

What was the most interesting thing you learned today?

What was a fun thing that happened today?

Obviously, it is important that schools also support parents and that is one of the reasons that we try and have events where parents/carers can come into school. For example, our forthcoming picnic on the field. Moreover, we want parents to have opportunities to share concerns or ask questions.

As part of this, we invite all parents/carers to complete the following survey by Friday 26th June:

<https://forms.office.com/e/UYFC4uYZwS>

The questions in the survey come from Ofsted's parent questionnaire and we will use the answers to help us improve our offer next year. Therefore, we would like as many parents/carers as possible to complete the survey.

## Summer Fayre

Our Summer Fayre is coming after school on **10th July** and we would like to take this opportunity to ask for donations to help get the event off to a flying start.

We are interested in donations of toys, books, toys, bottles and other bric-a-brac.

We would also welcome larger items that can form part of our raffle.

On **Thursday 18th June**, there will be a World Cup themed day where children can dress up in exchange for a donation.

**BROMCOM Parent Portal MCAS App: All parents/ carers must register for MCAS App.**

### Women's Institute Volunteers

This week, we were pleased to welcome some amazing volunteers from the local Women's Institute.

They spent the afternoon helping further with our re-organisation of the library by sorting books and organising shelves.

We would like to thank this wonderful group for their kindness and hard work!

### Library Development

Whilst we are very lucky to have had these volunteers, our team of **Year Six librarians** with **Mrs Musgrave**, our school librarian, have been carefully working on making our library more accessible.

With donations from World Book Day and other school funds, we have purchased new furniture to make it easier to access our many books. We are already seeing children finding it easier to choose books and for adults to make recommendations.

### Whole School Picnic

With two successful events in recent years, we are pleased to announce that on **Tuesday 23rd June** we will be once again hosting a joint family picnic event with Crosshall Infant School.

This will take place on the Junior School field and the **rear gate only** will open for access between 12.15pm - 12.30pm, with the event running from 12.30pm — 1.15pm.

The children will have their school picnic with them ready to meet you for the event. Please bring a blanket and you are also welcome to bring a 'nut-free' picnic for yourself and any siblings.

### LEARNING ACHIEVEMENTS

Please provide your child with a healthy snack for morning break. We encourage a balanced diet in school.

**ALL snacks MUST BE NUT FREE.**

### LEARNING & WELLBEING SUPPORT

St Neots Foodbank are an amazing organisation that has been providing food for families in our local community since 2013.

If you, or someone you know, is going hungry, they are there to provide vital support.

If you are are not in need, please take the time to make donations or even volunteer!. More information can be found at <https://stneots.foodbank.org.uk/>.

### ONLINE SAFETY SUPPORT

Many children today use Whatsapp. In school, we teach children the importance of being considerate in their behaviour online and we remind them to speak with trusted adults if they encounter an issue.

Whatsapp have Parent-managed accounts that allow children under 13 to communicate with their family and friends on WhatsApp with parental supervision.

We strongly recommend parents/carers use this with children who are using Whatsapp.
