

CROSSHALL JUNIOR SCHOOL WEEKLY UPDATES | W.E. 10.10.25

MESSAGE FROM OUR HEADTEACHERS - MR AINSCOW & MR MURPHY

Dear Parent/ Carer,

Today we talked with the children about how we can support them with their mental health. In our assembly, we told them this:

Mental health means how we feel, think, and behave. It's about our emotions, our thoughts, and how we deal with life's ups and downs. Just like we look after our bodies, it's important to look after our minds too.

To help with supporting their mental health, we have encouraged our children to talk to the trusted adults in their lives. In school, as well as their teachers, we also have our two **Learning and Wellbeing Mentors**: Mrs Hale and Mrs Searle. Our LWMs have had additional training on supporting both children and adults on supporting emotional and mental health and work with people from across the school at times of crisis as well as managing the day-to-day challenges. For some of our children this may be coping with the loss of a pet and, for others, more long-lasting challenges.

If you feel that your child might benefit from this support, please reach out to them through the office.

Another area of support that we are very proud of are our new peer mediators. These specially trained pupils will be supporting other pupils on the playground. This may be as simple as giving our pupils someone to talk to or helping resolve minor disagreements. Lunchtime adults will still be there to solve bigger issues, but our peer mediators are another important piece in how we support the mental health of our community.

Please may I also take this moment to continue to ask for **volunteers for our PTA**. The support this organisation offers the school is vital and allows us to extend the opportunities we can offer. Contact the team via their Facebook page @CrosshallJuniorSchoolPTA
