

Interested in joining our Academy Council?

We are looking for new Academy Councillors!

We have interesting and rewarding opportunities available to members of our community through becoming involved in the local governance of Crosshall Junior School and contributing to the school's future strategic direction.

The roles are unpaid voluntary positions, but they are extremely worthwhile and highly valued within our school community. Relevant training will be provided for all Academy Councillors. The role involves attending approximately five meetings per academic year, along with any occasional training sessions, if required.

We welcome applications from volunteers from across the community who can bring a range of skills, experience and perspectives to the Academy Council. Discussion and constructive challenge are key aspects of our work, alongside the ability to self-evaluate and uphold confidentiality.

At Crosshall Junior School, we would be particularly interested in individuals with experience or interest in educational standards, financial accountability, human resources, strategic leadership, community voice and operational risk.

If you would like more information or an informal conversation about the role, please contact:

office@crosshalljunior.co.uk / 01480 470300
