

6<sup>th</sup> March 2026

Dear Parent/ Carer,

### Whole School: Dads Who Read Library Event

On Tuesday 24<sup>th</sup> March, we would like to invite dads, step-dads, uncles and grandads\* to come into school with their children and make use of our library.

As a parent myself, I value and appreciate the time I get to spend reading books with and to my three young children. I frequently borrow school books from our library to read at home. In our modern world, time can be precious and homes busy. We would love to see as many of you as possible in the library 'after hours' making use of cushions, chairs, tables and of course, some wonderful books. Some of you may even like to read a story to a small group.

If you are interested in coming along, please return the reply slip below to give us an idea of numbers of attendees. No printer? No problem! A note on another piece of paper or an email to the school office is also acceptable.

An additional request, which can be those attending and those not attending. We would like to have in the library a celebration of dads, and other male adults, reading. This will be entitled 'My Dad Reads', and I intend to be the first image on there. If you and your child would like an image to be part of this, please send it via the school office entitled 'My Dad Reads'.

On the day, please enter the library via its external door (just off the car park at the front of the school). You are welcome to stay for as much or as little time as you wish, but we will close the library at 16:00.

*\* If you are not a dad, step-dad, uncle or grandad, but wish to attend please get in contact via the school office.*

Yours sincerely,

**Mr Liam Murphy**  
**Co-Headteacher**
