

Looking for something seriously cool this May Half Term? 🎉

Next Thing Education's Tech + WOW Camp is coming to our school this 26th–29th May, running daily from 9am–4pm for ages 5–11.

This isn't just childcare - it's a full-on adventure. Kids will explore hands-on tech like Minecraft Redstone, robotics, coding, movie making, LEGO engineering, circuits, and even virtual reality. And that's just the start...

Every day also brings something WOW, from laser tag and inflatable obstacle courses to animal encounters, take home inventions and live science shows. 😊

All led by DBS-checked instructors in a fun, safe, and supportive environment your children will love.

📌 £45 per day or £162 for all 4 days

Childcare vouchers & tax-free childcare accepted

Spaces fill fast - book now: <https://www.nextthing.education/product/crosshall-junior-school-may-camp/>

Let's make this half term unforgettable ☀️
