Dear Parent/ Carer,

Active School Travel Survey

Please take part in this survey by 14th October 2026.

Take part in this survey to share your experiences of walking, wheeling, or cycling to primary school, and what could make it better.

Our school has agreed to take part in a project about walking, wheeling and cycling to school.

The survey is run by the National Centre for Social Research (NatCen), Britain's largest social research organisation. NatCen is running the survey for Active Travel England, who work to make walking, wheeling and cycling a safe and attractive choice for everyday trips.

The online survey should take around 10 minutes and should be completed by 14th October 2026. To take part, please use the following link: survey.natcen.ac.uk/mrWeb/mrWeb.dll?l.Project=P2042601_MAI_V1&i.user1=148473

Please note:

Taking part is your choice.

There are no right or wrong answers.

You can complete the survey once for each child in reception, Year 1, Year 5 or Year 6.

Your child does not have to regularly walk, wheel or cycle to school for you to take part in the survey.

What will I be asked?

How you / your child travels to school.

What helps or makes it hard to walk, wheel or cycle to school.

What you think about changes to help children travel actively to school.

More information about the project and what taking part involves can be found in the taking part page, privacy notice and plain English privacy notice. You can also email ASTSurvey@natcen.ac.uk or call 0808 168 1356 for more information.

Yours sincerely,

Mr Liam Murphy**Headteacher, Crosshall Junior School**
