MAKE HALLOWEEN GO FURTHER

USE IT • REUSE IT • RECYCLE IT • STAY SAFE

1 LOVE YOUR PUMPKIN

Decorate before carving. Cook the flesh and roast the seeds. Use the food-waste bin.

2 REUSE THE LOOK

Rewear, swap or shop second-hand. Make cardboard accessories and use LED candles.

3 SORT THE SWEETS

Scrunch foil into a ball. Recycle trays and take soft plastics to a collection point.

4 BATTERIES

Recycle batteries at local recycling locations.

PLEASE DON'T LEAVE PUMPKINS OUT FOR WILDLIFE

Pumpkin can be harmful to wildlife, especially hedgehogs.

Crosshall Junior School

Thoughtful choices for our community and our planet.
