

18th September 2026

Dear Parent/ Carer,

Introducing: Life @ Crosshall – Parent Information Sessions

For those new to Crosshall Junior School and those more familiar, we hope the introduction of '**Life @ Crosshall**' sessions will be useful in keeping you up to date and informed about various elements of school life.

We know that moving from the Infant School into Year Three is a particularly significant step, but there are also important changes as children move through the school. Expectations become greater, children become increasingly independent, and there are new opportunities, routines and responsibilities to understand.

These sessions will take place **straight after school** and will be open to parents and carers of children in all year groups. If you have children with you at this time, they are welcome to attend.

The sessions will provide an opportunity to:

- understand what life is like in school;
- find out about important routines, expectations and arrangements;
- understand how we support children as they become more independent;
- learn more about learning, routines, assessment and expectations;
- find out how you can support your child at home; and
- ask questions and raise anything you would like clarification about.

We want these to be **useful, practical and welcoming**. There is no expectation that you attend every session. Simply sign up for those that are relevant to you using the form below:

forms.cloud.microsoft/e/G4PPhhBYyu

We hope that **Life @ Crosshall** will become a useful way for us to keep families informed, answer questions and strengthen the partnership between home and school.

We look forward to seeing you.

Yours sincerely,

Mr Liam Murphy
Headteacher, Crosshall Junior School
