Dear Parent/ Carer,

Festive Card Fundraiser

We are excited to be launching a special festive fundraising project with our PTA this year, giving every child the opportunity to become a published artist!

Over the next week, children will be creating their own Christmas or festive-themed artwork in school. Their unique designs will then be professionally reproduced by School Print World, allowing families to purchase high-quality printed cards featuring their child's artwork. Details about how to purchase these will be shared in the coming weeks.

There is something truly special about sending festive greetings designed by your own child. Whether shared with family, friends or neighbours, these personalised cards make wonderful Christmas greetings and a lovely keepsake to treasure for years to come. They are a unique way to celebrate your child's creativity while sharing a little festive cheer with those closest to you.

As well as providing families with something meaningful and memorable, every purchase will help support our PTA's fundraising efforts. The funds raised will contribute towards enriching opportunities, experiences and resources for all children across the school, making this a fantastic way to support our community while buying something both practical and personal.

To enable families to view and purchase their child's products, your child's name will be shared with School Print World. This information will be used solely for the purposes of identifying your child's artwork and processing any orders.

If you do not wish your child's name to be shared with School Print World, please complete the following form by Thursday 22 October: [Withdrawal from Christmas Card Printing](#). This means your child's artwork will not be turned into a printed card for purchase. If we do not receive a response by this date, we will assume that you are happy for your child's name to be shared for this purpose.

We are very much looking forward to seeing the children's wonderful festive designs and hope that many families will take advantage of this opportunity to purchase personalised Christmas cards while supporting an important school fundraiser.

Thank you, as always, for your continued support.

Yours sincerely,

Miss Connor, Mrs. Hale and the Crosshall Junior School PTA
