

11th September 2026

Dear Parent/ Carer,

Arts & Craft Workshop 16th September 2026

We are pleased to share the news that we are continuing our partnership with St Neots Town Council for this school year.

St Neots Town Council have kindly offered to run an Arts & Crafts group for our Year Six pupils.

The sessions will be delivered by qualified youth workers who are all DBS-checked and will take place during lunchtime every other Wednesday.

The focus of the sessions is to support young people as they prepare for the transition to Year Seven. Through creative activities and open discussion, the group aims to provide a safe and supportive space where pupils can express themselves, build confidence, and explore any challenges they may be facing during this important time. There will be a selection of arts and crafts offered, as well as the outdoor gym (weather permitting) and games.

Details about the club will be given to the children within school. There will be a limit of 30 children per lunchtime.

If you have any questions, please feel free to contact me via the school office.

Yours sincerely,

Mrs Vicki Hale
