Dear Parent/ Carer

**YEAR SIX: ROCK UK RESIDENTIAL TRIP - 6<sup>th</sup> - 8<sup>th</sup> July 2026**

We are pleased to confirm that the ROCK UK residential visit will go ahead. We had hoped that the total cost for this trip would be around £290 however, as previously advised, take-up has been rather lower than usual, and the final cost will probably be around £300. We do hope that more pupils will decide to take part in the visit therefore this is still an estimate at this stage. Please do contact us if your child would like to take part and/or you have any questions.

The second instalment of £100 will be available to pay via MCAS today and is due by 1<sup>st</sup> December 2025.

The final stage payment will be due by 1<sup>st</sup> February 2026, and we will be able to advise the amount closer to the time.

If you foresee problems in making payments, please do speak to the school office. We may be able to offer further help on a case by case basis.

Should we have any concerns about your child's behaviour, we will contact you to discuss their place on trips. We reserve the right not to take any student, whose behaviour is considered in any way antisocial or unsafe. The Academy is required to undertake a risk assessment for all trips and visits. We cannot allow any student to take part in an activity unless any risk involved is assessed as being low. Details of the trips and our expectations will be conveyed to students via assemblies and during class time.

Yours sincerely
