

Data Protection Act 1998: How we use your information

We, Great Ouse Primary Academy, process personal information relating to our pupils and may receive information about them from their previous school or college, local authority, the Department for Education (DfE) and the Learning Records Service. We hold this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

Information about our pupils that we hold will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information.

When children reach the age of eleven, relevant information will be passed to their secondary provider in accordance with the law and our policies; likewise when children move to another school.

We will not give information about you to anyone without your consent unless the law and our policies allow us to. We are required, by law, to pass some information about you to the Department for Education (DfE). This information will, in turn, then be made available for use by the LA.

If you need more information about how the DfE collect and use your information, please visit the DfE website at: <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>.
