24th November 2022

Dear Parents and Carers,

We are delighted to share with you the outcome of our recent Ofsted inspection on October 5th and 6th 2022. The inspector found there had been no change to the school's overall judgement as 'Good' – a rating we have had since 2014.

The report, published this week, celebrates the positive behaviour of pupils, the success of the newly introduced Trust curriculum, and the range of opportunities for pupils to develop their learning beyond the boundaries of the curriculum.

The inspector praised the school leaders' "clear and ambitious vision for the school and its pupils."

At The Lantern, we provide our pupils with a warm, happy, and safe environment in which they can flourish. We are pleased that the report reflects this and celebrates the exciting opportunities we offer our children to be the best that they can be academically and socially.

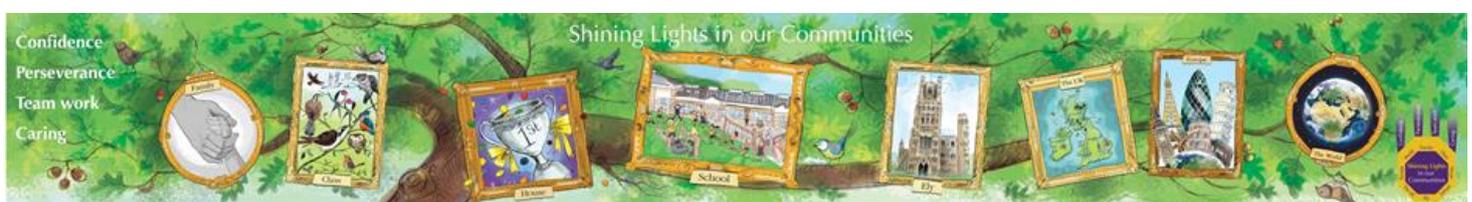

As you will see, the report praises our children's enjoyment of the curriculum, in addition to their behaviour at school. They and the staff are proud of our school and are glad that Ofsted recognised this. This is also reflected by Meridian's statement:

"We are proud that the school is demonstrating our Meridian Trust values and our commitment to providing a high-quality education for all at the heart of our local communities."

Please find attached the final report that celebrates our success and suggests our next steps as we continue to provide the best that we can for our children.

Thank you to you all for continuing to support The Lantern team, particularly though the inspection and giving your feedback to the inspector.

Mrs Sherrington and The Lantern Team.
