'100 days to go' Revision book

Dear Parents/Carers,

As we are nearing the GCSE period, I feel it's important to share resources with you that I believe will best support your child during the lead up to the exams.

Tools for revision are plentiful, but I hope you will appreciate the guidance as to which ones we recommend.

Corbett Maths have created a '100 days to go' revision book for GCSE Mathematics providing questions and QR codes linking to support videos for each topic. The workbooks contain everything on the GCSE course and include a variety of questions on each topic.

[100 Days To Go Revision Books - Corbettmaths](#)

As a school, we can get a discounted rate for these books should you wish to order one. The cost would be £4.49 per book as opposed to £8.99 ordering yourself.

Having asked parents who have invested in these books previously, their feedback was extremely positive and said that they helped to support their child's revision by breaking it down day-by-day, giving structure to revision and alleviating the 'what should I be revising' query!

1 February will mark '100 days to go' until GCSE Mathematics Paper 1, so I'm keen to ensure these books are ready to be distributed by then.

If you wish to place an order, please visit the school shop on your MCAS app. This will be available to purchase until Sunday 18 January.

If you have any questions, please do not hesitate to contact me or your child's maths teacher.

Kind regards,

Mrs Alder

Head of Maths
