Monday 13 October

Dear Parent/Carer,

### **Trip To Bletchley on Friday 7 November**

We have organised a school visit to Bletchley Park on Friday 7 November during the school day.

The trip will include a guide tour and a learning session on Past, present and future encryption led by staff from Bletchley Park. The aim of the visit is for students to deepen their understanding of computing and its impacts on society and the world. The tour and lesson are both directly relevant to GCSE Computer Science.

We will travel by minibus leaving the school at 9:00am and return to school in time for the school buses at 3:05pm. Students should wear their school uniform and will need to bring a packed lunch and drink with them (lunches will be available for those eligible for free school meals).

The cost of the trip is £23.00 per student, which includes the tickets for Bletchley Park, along with travel to and from the venue, and will be payable by 31 October 2025.

Please complete the following link, if you wish your child to attend, by Monday 20 October:

<https://forms.office.com/e/6VMVFZY4hb>

Places are limited, should we be oversubscribed, places will be drawn by lot. You will be notified on Wednesday 22 October if your child has been successful in gaining a place on this visit.

If you have any questions or would like more information regarding the visit, please contact me

Yours sincerely

Mr Duncan
