Classic FM Hall of Fame Concert

Dear Parent/Carer,

I am delighted to be able to offer your child the opportunity to hear the world-famous City of Birmingham Symphony Orchestra (CBSO) perform highlights from Classic FM's Hall of Fame on Thursday 30 April at Symphony Hall, in Birmingham.

Featuring much-loved pieces including 'Jupiter' from Holst's The Planets, the Jurassic Park theme and Elgar's 'Nimrod' from his Enigma Variations, this should be a fantastic concert.

There is nothing as exciting as hearing and watching musicians in an orchestra playing live and this programme promises to be superb. Whilst it is not a pre-requisite for taking GCSE Music to attend a concert, I have been on the look-out for another suitable concert for some time; featuring a wide contrast of musical styles I hope there will be something for everyone to enjoy, especially those students who have not accessed a live orchestral performance before.

The concert starts at 7.30pm and will finish at approximately 9.45pm. We will be traveling by minibus, leaving Lincroft Academy at 4:15pm, aiming to be back around 11:45pm, at which time we would appreciate a prompt collection.

All students will need to bring a packed tea, which we will eat on arrival at Symphony Hall, and will be required to wear their school uniform.

As we will be leaving at 4:15pm, we require you to complete the form below, indicating whether your child will be leaving school at 3:05 and returning to leave at 4:15, or whether they will remain at school where we can provide supervision for them.

Classic FM Hall of Fame – Student Arrangements – Fill in form

The cost of this trip will be £16 per student, which includes the tickets and minibus travel. If your child would like to attend, please make payment via MCAS by Sunday 22 February.

Please don't hesitate to contact me if you have any questions.

Kind regards,

Rachael Runnells
