

Wednesday 30th September 2026

Dear Parents/Carers,

Iceland Parent/Carer Information Evening

Preparations for our forthcoming trip to Iceland in February 2027 are now well underway. As part of our preparation, we are holding a Parent/Carer Information Evening on Tuesday 20th October at 5:30pm – 6:30pm. This will be in the Main Hall.

On the evening, we will share key information regarding the trip itinerary and kit list. There will also be an opportunity for you to ask any questions specific to your child.

Please indicate via the link if you can attend – [Iceland Trip – February 2027 – Fill out form](#)

I would also like to encourage you at this stage to check that your child has a valid, in-date passport. Passports must have been issued within the last 10 years and must be valid for at least 3 months after the planned departure date from Iceland (15th February 2027).

If your child does have a valid passport that they can use to travel to Iceland, please use the link below to inform us of the relevant passport information.

If you have any questions, please contact us on trips@lincroft.academy

Kind regards,

Mrs H.Bavington

Iceland Trip Leader
