Dear Parents and Carers

I hope you had a wonderful week.

Our week started with 'Brew Monday' and each tutor group enjoyed a morning of conversation over a biscuit and squash during the week. House assemblies this week were led by Miss Stoodley on the theme of Brew Monday. This is a Samaritans initiative that encourages us to reach out and support each other. Also on Monday, Mr Davis (Assistant Principal) and I hosted a rewards breakfast to celebrate student successes from the autumn term. It was lovely to congratulate students in person and enjoy breakfast with them. Year 11 Parents Evening took place on Thursday, and it was a pleasure to welcome parents and carers. Thank you to all who attended.

During Principal's Message this week, students heard from Miss Burke (Lead Prac. English) and Mrs Attreed (Vice Principal) about the implementation of our communication framework, CARE to Communicate, and how this will support achievement in the classroom through further development of academic language used in curriculum subjects. This framework also builds on our work around community, as another reminder to students that damaging language, such as derogatory, offensive or discriminatory comments, must not be used.

Threads – Upcoming Performance

We sent a letter earlier this week which can you view [here](#), regarding our upcoming Threads event that will take place on Wednesday 6 February at 6pm. The event will showcase the talents and hard work of students from Drama Club, Dance Club and Vocalise.
