

Friday 30 January 2026

Dear Parents and Carers

I hope you had a wonderful week. We have arrived at the end of January already; the first month of 2026 has flown by!

Principal's Message – New Format

Following your feedback, we will shortly be launching a new format of the weekly message. We will use the Microsoft Sway format, like our half-termly newsletters. There will be a summary of each week, and there will be specific sections for each Year group, as appropriate. We hope this will make it easier to find information relevant for your child's year group and save you time.

This week at Lincroft Academy

House assemblies this week were led by Mr Brockett (Subject Leader for DT) on the theme of up-cycling and how it requires a new perspective to see potential that would otherwise remain unseen. Students were also encouraged to see the potential in themselves and others, which links with our CARE values.

Our Year 10 and 11 students enjoyed an exciting performance of 'Macbeth' by Quantum Theatre Company. This was a fantastic opportunity to experience a live production of one of our GCSE English Literature texts, to enhance students' GCSE studies. We look forward to inviting the performers back again next year!

Some of our Year 7 students went to Sharnbrook Academy for a Meridian Trust Media Studies immersion event, giving an insight into GCSE study in the subject. They thoroughly enjoyed the trip, and Mr Perrins was pleased to be greeted by several former Lincroft Academy students who are now studying Media Studies and Film Studies at Sharnbrook Academy Sixth Form.

Year 9 Parents Evening takes place on Thursday 12 February. Information about how to book appointments will be sent next week.

Looking Ahead

Next week our Year 11 MFL students begin their speaking mock exams. We look forward to our sell-out Performing Arts show, 'Threads' on Wednesday and our GCSE Art students in Years 10 and 11 visit the Tate Modern on Monday.

Have a lovely weekend.

Yours faithfully
