

Thursday 23 October 2025

Dear Parent/ Carer

I hope this message finds you well. I will keep this Principal's Message brief, so that you can read about the highlights of this half term in our newsletter. You can access it [here](#).

This week at Lincroft Academy

It has been wonderful to share students' achievements this half term in house CARE celebration assemblies this week. We celebrated achievements in attendance, behaviour, CARE credits and PLEDGES. We are very proud of our students. Our Year 9 Health and Social Care students had a careers day at the University of Bedfordshire this week, giving them more of an insight into the opportunities available in this important sector. We had more Year 6 families to 'Walk with the Principal' this week and we were delighted to be chosen to host a visit for trainee teachers from schools in Bedfordshire and Northamptonshire, where our Quality of Education Team provided professional development sessions and trainees visited lessons to see excellent practice in the classroom as part of their training.

MCAS Update Information

As we head into the half term, please take a moment to check and update your contact details on the MCAS App. Having the most accurate information helps us stay connected with you—whether to share updates, send reports, or reach out if your child is unwell.

Uniform & equipment

We kindly ask that you use the half term break to refresh or replace any [school uniform or PE kit](#) items as necessary. As always, pre-loved uniform is available from school. Please also replace any [equipment](#) that your child needs, so that they are prepared for learning.

Looking ahead

In case you missed it, Year 9 vaccinations are on 5 November, and we sent a letter [here](#).

We look forward to welcoming all students back on Tuesday 4 November 2025. Our term dates for 25/26 are [here](#).

We wish you a safe and happy half term break.

Yours faithfully

Ms E Appadoo
