GCSE Revision Guides

Dear Parents/Carers

Thank you to those who attended the Year 9 Success Evening last week. If you were unable to attend, you can find the slides from the presentation on the website here.

[Year 9 Curriculum Support Information | Lincroft Academy.](#)

As we begin the KS4 journey towards GCSEs, it is very important that students are as well prepared for the next 3 years as possible. For this reason, we would like to offer students the opportunity to buy revision guides. Many of the revision guides below, when purchased by the school, are at a reduced price in comparison to the RRP.

All revision guides listed are now available to purchase through the 'Store' section of the MCAS app; the window for purchasing them will close on the 11 October 2026. Please ensure that you choose the options carefully to ensure that your child receives the correct guide for the course they are taking. We will buy the revision guides once the window has closed and subsequently distribute to the students after we receive them.
