Dear Parents and Carers,

## **Media Hub Event – Monday 26 & Tuesday 27 January 2026**

Each year, Meridian Trust organise activities for a group of Year 7 media students from our school. This year's event will be held at Sharnbrook Academy on the 26 and 27 January and the exciting news is that your child has been chosen to be a part of our school team.

This face-to-face event enables students across the Trust to meet and work collaboratively on exciting packages of learning.

Your child will attend school at the normal time and travel to Sharnbrook Academy by minibus. Activities will start at approximately 9:30am and conclude at approximately 2:30pm, where they will travel back to school arriving at approximately 3:00pm, for normal end of day arrangements.

The session's activities are designed to be enjoyable and will develop their understanding of Media, Script writing, equipment and image sourcing. The activities will comprise of a series of challenges.

Students will require a packed lunch. If your child is in receipt of free school meals this will be provided by the school.

Please can you complete the following consent indicating whether you are happy for your child to attend this event for which there is no cost by Tuesday 20 January 2026 via the following link:
