

Friday 8 May 2026

Dear Parents, Carers and Year 10 students

Year 10 Subject Parents' Evening, Thursday 14 May 2026

We would like to invite you and your Year 7 child to Parents' Evening on **Thursday 14 May from 3:30pm to 6:30pm.**

Appointments will be in person and each appointment will be 6 minutes long and allows for a 1-minute travel time between teachers in the Amethyst Block, Dining Room and Main Hall for your next appointment. You will be able to discuss your child's progress with the teacher and ask any questions you may have.

If your child is taught by the same teacher for two different subjects, please only book one appointment. Similarly, if your child has more than one teacher for the same subject, please only book one appointment. Duplicate appointments will be cancelled.

If a teacher appears unavailable through our booking system, unfortunately it is because they are fully booked. We have arranged appointments so that as many students can see as many of their teachers as possible. On the evening please only see the teachers that you have booked through MCAS.

To book your appointments, please visit your MCAS app.

The booking system will open this evening Friday 8 May at 7:30pm and close on Tuesday 12 May at 8:00am. Should you need assistance with booking your appointments a guide can be found [here](#) and on our website.
