

Tuesday 16<sup>th</sup> June 2026

Dear Parents & Carers

## **Year 11 Leavers' Day: Reminder**

We are very proud of Year 11 for their mature and determined approach to their exams and look forward to welcoming them back into school tomorrow for leavers' day.

Students need to arrive in school uniform for the normal time of 8:30am and attend tutor time for a celebration with their tutor group. They will leave site when the event ends at 1:00pm. Please ensure your child has plans for getting home after the event. Staff will be out in the community after dismissal to ensure students leave site safely.

Unfortunately, rain is forecast throughout the morning and some of the planned activities will take place outside. Students are encouraged to bring suitable coats and umbrellas. We will monitor the weather throughout the morning and adjust the schedule, as appropriate.

The ice cream van will be on site, any students that wish to use it will need to bring money or a debit card to purchase ice creams. They will receive their prom tickets and hoodies before they leave at 1:00pm.

We welcome donations of freshly laundered school uniform for our pre-loved and recycle uniform bank and this can be left at the House Office.

We will be writing to you soon to confirm results day arrangements, and we hope to see many of you at school on Thursday 20<sup>th</sup> August.

Thank you for your continued partnership throughout the exam period. If you have any questions, please email me ([hbodily@lincroft.academy](mailto:hbodily@lincroft.academy)) or the House Office.

Yours faithfully

Miss H Bodily
