Careers

All Year 11 students will be offered a 1-to-1 careers meeting with Mrs Ripley. Some have already had their appointment, while others are yet to be arranged. If you would like your child to have an earlier appointment, please contact their tutor, who can arrange this.

Subject Information

Any subject specific information sheets that would ordinarily be shared on Parents Evening, will be sent home via the students throughout the next week, so you are able to refer to this during the Parents Evening if necessary.

There are several interventions taking place this term, and a letter with students' specific intervention was sent home on 18th September. If there is any additional intervention your child would like to attend, please speak to the subject teacher about this during your appointment.
