Thursday 5 November 2026

Dear Parents, Carers and Year 11 Students

Year 11 Progress Parents Evening Thursday 12 November 2026

We would like to invite you and your Year 11 child to Parents' Evening on **Thursday 12 November, from 3:30pm to 7:30pm**. The evening provides an important opportunity to discuss your child's progress in each subject and how we can work together to support them.

We are aware that several post-16 providers are holding open evenings next week. In addition, ongoing roadworks in the local area are likely to make travel particularly challenging at peak times, especially for families wishing to attend both our Parents' Evening and a post-16 open evening on the same night. To make the evening as accessible as possible for families, we have therefore decided to hold Parents' Evening online via Microsoft Teams, rather than in-person.

Appointments will run from **3:30pm until 7:30pm**. We have also extended Parents' Evenings by an additional hour this year, creating more opportunities for families to meet with teachers. However, demand for some teachers may still be high. If a teacher shows as unavailable on the booking system, unfortunately this means that all their appointment slots have been booked.

To book your appointments, please visit your MCAS app. If you have not yet downloaded this please follow the guide on our website here. The booking guide can be found here on our website. **Bookings open at 7:00am tomorrow morning.**

We will be sending you further information in the next few days with a guide on how to access your appointments on the evening.

If you have any questions, please contact administration@lincroft.academy

Yours faithfully

Miss H Bodily
Lead Practitioner
