

17 September 2026

Dear Families,

Welcome to the Lincroft Academy community!

As we near the end of our new Year 7 students' first fortnight at Lincroft Academy, I wanted to take a moment to celebrate how incredibly well they have begun secondary school life. Thank you for preparing your children so well for a strong start. I am very proud of the way our Year 7 cohort have embraced this new chapter. They have already made a wonderful impression on staff and older students alike.

At Lincroft Academy, our CARE values of Community, Aspiration, Respect and Excellence are at the heart of everything we do. It has been fantastic to see our new Year 7 students already embracing these values by forming new friendships, showing kindness to others, working hard in lessons and taking pride in being part of our community. I have enjoyed visiting your children in lessons and getting to know them during social times. They have proudly told me about the CARE credits they have achieved and some have even beaten me at giant Jenga and other games on the Amethyst Quad!

Most importantly, we want every child to feel known, valued and supported. Our first priority is always the wellbeing and safety of our students, and we are committed to ensuring that every young person thrives during their time with us. We recognise that the transition to secondary school is a journey for families as well as students. If you have any questions or concerns about your child, please do not hesitate to contact your child's House Team using the details via [this link](#).

Each week, I write to families through my Principal's Message, with the aim of keeping you informed about life at the Academy and bringing together key information for your child's year group in one place. As a parent myself, I understand how easy it can be for school communications to get lost amongst the many demands of family life. For this reason, we include links to any letters shared during the week within each Friday's Principal's Message, helping to ensure that important information is easy to access.

Finally, we look forward to welcoming you to our Meet the Tutor Evening on Thursday 1 October (3:30–6:30pm), which will provide an excellent opportunity to meet your child's tutor and learn more about their journey so far as a Lincroft Academy student. Booking information will be shared next week.

We are delighted to have your family as part of the Lincroft Academy community and we appreciate your partnership.

Yours faithfully,

Emma Appadoo
Principal
