Dear Parents, Carers and Year 10 students

## **Year 10 Subject Parents' Evening Thursday 4 December 2025**

We would like to invite you and your Year 10 child to Parents' Evening on **Thursday 4 December from 3:30pm to 6:30pm**. This is the first Year 10 parent evening to take place this year and as part of our partnership with you, this is an important opportunity to meet with your child's teachers to discuss their progress in each subject, and to work together to support them.

Appointments will be in person and each appointment will be 6 minutes long. You will be able to discuss your child's progress with the teacher and ask any questions you may have. Teachers will be sat in Main Hall and the Sports Hall. On arrival, please use Main Reception to enter and sign in.

If a teacher appears unavailable through our booking system, unfortunately it is because they are fully booked. We have arranged appointments so that as many students can see as many of their teachers as possible. On the evening please only see the teachers that you have booked through MCAS.

To book your appointments, please visit your MCAS app. If you have not yet downloaded this please follow the guide on our website [here](#).

**The booking system was closed due to system error and reissued on Thursday 27 November, opening at 7:00pm and closing on Tuesday Monday 2 December at 8:00am.**

The booking guide can be found [here](#) on our website. ***Any bookings that were made originally must now be re-booked.***
