

Friday 5 December 2025

Dear Parents/Carers,

On Wednesday 10th December during lesson 5 your child will receive their mock exam results statement. The afternoon will comprise of a short assembly with students then receiving their envelopes from the Sports hall in a similar set up to the summer exams. You will then receive your child's full report before we break for the holiday in the week beginning Monday 15th December. The report will contain an end of course prediction (ECP), attitude to learning grade (ATL) and the minimum target grade (MTG) which indicates the minimum grade that students should be striving to achieve as the final grade in the Summer.

Being able to access feedback in a timely manner has been a key priority for these assessments and many subject areas have already shared exam scripts, re-visited content and helped students to plan their next steps. The papers that were sat for each subject have been marked according to the appropriate Exam Board and graded using the appropriate grade boundaries for these papers.

Students will also receive the confirmed timetable for the summer 2026 exams and have been encouraged to use it to highlight the subjects they are studying and mark the 3 contingency slots. These are placed by JCQ to minimise any local or national disruption during the exam period and students are expected to be available for all contingency days.

The next set of mocks begins on Monday 23rd February, the timetable for these, will be shared in the next year 11 newsletter which will be released before the Christmas break. We look forward to welcoming you on Thursday 22nd January for the Year 11 Parents evening.

If you have any queries related to exams, please email the exams team on exams@lincroft.academy. If you have any queries related to exam access arrangements, please email conactsend@lincroft.academy.

Yours sincerely
