

Thursday 6 November 2025

Dear Parents, Carers and Year 8 students

## **Year 8 Subject Parents' Evening Thursday 13 November 2025**

We would like to invite you and your Year 8 child to Parents' Evening on **Thursday 13 November from 3:30pm to 6:30pm**. As part of our partnership with you, this is an important opportunity to meet with your child's teachers to discuss their progress in each subject, and to work together to support them.

Appointments will be in person and each appointment will be 6 minutes long and allows for a 1-minute travel time between classrooms or the Main Hall for your next appointment. You will be able to discuss your child's progress with the teacher and ask any questions you may have.

If a teacher appears unavailable through our booking system, unfortunately it is because they are fully booked. We have arranged appointments so that as many students can see as many of their teachers as possible. On the evening please only see the teachers that you have booked through MCAS.

To book your appointments, please visit your MCAS app.

The booking system will open this evening Thursday 6 November at 7:30pm and close on Tuesday 11 November at 8:00am. We have attached a simple booking guide should you need assistance with booking your appointments. The booking guide can also be found [here](#) and on our website.
