

Our Pillars

At NeneGate School, we are dedicated to offering a nurturing school environment, enabling all our learners to feel safe and thrive. We celebrate each individual's qualities by keeping the child at the centre of all we do, offering a flexible curriculum and holding equally high aspirations and expectations for all our pupils. We challenge our pupils to reach their full potential and to develop hopes and dreams for their future, in order that they can move on to the next stage of their education as engaged, ambitious and resilient young people, who can make a positive difference to society and live life to the full.

This Charter sets out our expectations for how we learn and work together within The Nenegate School Community.

The Nenegate School is part of the Meridian Trust family and is built upon the Meridian Trust Foundation Values. Our School Values of being engaged, being ambitious and being resilient, provide the pillars that our community is built around, and help us work towards achieving the vision we have for our students.
