Safe and Considerate Parking

Dear Parents and carers,

I am writing to request your support and cooperation regarding parking and safe driving, not only around the school site but in the immediate neighbourhood streets.

We are receiving an increasing number of complaints from residents; therefore, we ask please that:

- Driveways and access to garages are not blocked
- No driving and parking on grass verges
- No parking which reduces visibility for pedestrians, forcing children to step out into busy roads

The safety of our pupils is our highest priority. Cars parking illegally or obstructing visibility put our children, pedestrians and cyclists at direct risk of an accident.

We also want to maintain positive, relationships with our local community and blocking driveways or engaging in altercations with neighbours does not promote the values and care we promote at Nene Park Academy.

Thank you for your understanding and commitment towards keeping our students and families safe.

With thanks,

Mr R Grover
Principal
