

Dear Parents and Carers,

We are excited to introduce our new **digital reading log**, which will make recording your child's reading quicker and easier.

On or before **Monday 6th October**, you will receive an email titled **"Let's Read Together!"** from **hello@learningwithparents.com**. Please check your junk/spam folder if you don't see it, and add the address to your contacts to ensure future emails arrive safely.

Inside the email, you'll find a link that takes you directly to your child's reading log. From there, you can:

- Select the day you wish to log reading for.
- Enter the book title (required). Other details are optional.
- Choose how to record the reading:
 - Write a comment
 - Upload a photo
 - Upload an audio clip

Please note: only the adults assigned to your child's class will be able to view these logs.

Once submitted, your child will earn a **star** for each reading entry. After **three logged reading sessions**, your child will also receive **3 house points** in school!

We encourage you to read with your child at least **three times each week**, and we hope this new system helps make the process simple and enjoyable—whether you are on your phone, tablet, or computer.

Please bear with us as this is new to us too.

If you have any further questions or need support, please speak to your child's teacher.

Thank you, for your support in helping us nurture a lifelong love of reading.
