### Set 9 - questions

**PiXL**

It made Liz dizzy to look up at the cliff towering above her. It must have been over one hundred metres tall. Seagulls swooped and screeched all around as if teasing her for being rooted to the ground. Its dazzling white face was dirtier when seen up close. Streaks of green and brown were smeared here and there, especially near the base where the sea played at high tide.

1. How was Liz feeling?
