This policy is reviewed and updated annually to ensure that food and drink in the examination room at Northstowe Secondary College is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

## **Purpose of the policy**

This policy confirms that Northstowe Secondary College reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

## **1. Food and drink in the examination room**

- Clear, still drink is allowed in the examination room and drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles.
- Any food and drink brought into the examination room whether by the candidate or the centre must be free from packaging and all labels are removed from drink containers (ICE 18.2)
- To enable invigilators to check these items quickly and efficiently:
  - food brought into the examination room by the candidate must be free of packaging and in a transparent container
  - drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Northstowe Secondary College:

Only clear, still drinks are allowed in the examination room.

Food or sugary drinks are not allowed unless there is a pre-approved medical reason.
