

Anti-Bullying Charter

Our Anti-Bullying Charter is designed and set up to help children/young people, parents and professionals in the prevention and management of bullying. The Charter is written alongside our children with the aim to prevent and reduce bullying and to make sure that everyone understands that

BULLYING IS NOT TOLERATED

At Oakley Primary we understand bullying as....

- ❖ **Someone who makes us feel frightened or unhappy by hurting our feelings through words or actions Several Times On Purpose. (STOP)**

How we keep our school a safe and happy place...

- ✓ **Outside we have the playground rules – the tree shows us.**
- ✓ **We follow the 3 R's in all areas of the school – Ready, Responsible and Respectful.**
- ✓ **School councillors support the whole school to be a happy place.**
- ✓ **We have anti-bullying ambassadors that look out for children at breaktimes and lunchtimes.**
- ✓ **The buddy bench is a safe place to go and find a new friend to play with.**
- ✓ **The adults in school help support us to have a happy time in class and at lunchtime.**

If we have a problem, we can....

- ❖ **Share our problems with the trusted adults in school. The quicker you tell someone, the quicker the problem can be solved.**
- ❖ **Support buddies in class can help. This is where another child helps the child to feel better, looking out for them during the day.**
